

A June Note from your President.....

Credit should be given where credit is due. I want you to know how much I appreciate the assistance – beyond the call of duty--of our Board of Directors: Penny, Margaret, Mikel, Mark, Tammy, Jean, Matt, Pete, and BJ. We have been working with our legal team to make sure that our guidelines are up to date and in order. I am happy to say they are. We are brainstorming plans for an exciting new year. Something new, the Board has started having monthly online “Go To Meetings.” This not only benefits you, but keeps our Board in a more intimate relationship.

We are especially indebted to you, our CAO members, because our proposed plans and events would never come to fruition without your support and prayers. We can not do what we do without you! I want to extend a special invitation for you to get involved with the Chaplains Association of Ohio. We need your ideas, knowledge, and leadership. I extend an invitation for you to email me at your convenience vdwyoder102726@gmail.com to volunteer to serve. Along with filling an office; there are many other ways you can help. Please take the first step, we are an energetic and fun group of people to be around. Say what?? Starting in June, I will be putting a monthly update on our web-page – don’t forget to check it out along with other listed information for your reference.

On a personal note: I want to apologize for missing the Retreat this year, due to my grand-daughter graduating from the US Air Force on the same date. Please know I was with you in Spirit and prayer. I had peace knowing that Penny, our Vice-President of CAO, has very capable shoes!!

May all that is Holy give you courage, wisdom, strength and compassion to do the work we are called to do, as we look forward to a new and exciting year before us.

Rev. Vickie Yoder, MACPC, BCC
CAO, President
